Quality, Affordable Health Insurance For Your Business!

The Affordable Care Act (ACA) allows individuals, families and small businesses the opportunity to shop for high-quality, affordable health coverage. With access to coverage beginning January 1st of this year, the New Health Law Impacts Your Business. DCRA, in partnership with the DC Chamber of Commerce, will present information on DC Health Link, which is an online marketplace that provides small businesses with direct access to the Small Business Health Options Program (SHOP), a tool that helps you compare and enroll in the health insurance package that meets your needs.

A Comprehensive Guide for Small Business Planning

Why develop a business plan? The purpose for creating a business plan is almost as important as the content of the plan itself. Writing a well thought-out and organized plan dramatically increases the odds that your business venture will succeed. This workshop covers the basics of business planning and why it's important for business success. Topics include starting-up a successful business, the important linkages between marketing, sales, and your financial projections, and gaining a competitive advantage.

Location: Department of Consumer and Regulatory Affairs
Second Floor – **Room E 200**
